1

## SearchxHire

### Critical Role Placement

**Talent Challenges:** You need a high-touch partner to source and screen talent for select critical role placements.

**SearchxHire Solution:** Our retained search service attracts the best-fit individual for you and your team by defining your compelling story for the candidate market and authentically representing the role and responsibilities, career opportunity, business goals, and company culture to candidates.

2

## RPOxHire

### Recruitment Process Outsourcing

**Talent Challenges:** You are making a sustained hiring push as a result of some major business events: new funding, mergers/acquisitions/expansions, new clients, etc.

**RPOxHire Solution:** HirexHire provides a dedicated team to deliver cost-effective recruiting solutions to aggressively increase bandwidth or elevate expertise for a defined time period.

3

## PartnershipxHire

### Full Life-Cycle Partner

**Talent Challenges:** You and your team are lacking the expertise and resources to develop a full-life cycle recruiting strategy.

**PartnershipxHire Solution:** HirexHire seamlessly integrates with your team, often managing an internal email domain, attending meetings, and participating in strategic conversations. We know the ins- and outs- of the open roles, your company culture, and your vision for growth to hire the right talent.

“

I needed someone I could trust to engage with executives within our company and embody our brand when connecting with candidates. Once HirexHire understood the levels of our business, they owned everything from start to finish.
